

Flute Workshop
Sunday 26 March
Suzuki Music Office: 89a Canterbury Road, Canterbury

For Suzuki Flute students in books 3 and beyond.
Applications close 24 February 2017

Get your year started with a boost of flutey goodness from Mary Sheargold and Barb Kerr* (*TBC).

For students in Book 5 and beyond, Mary would love to share some tips she has for combining great technique with beautiful musicality. For those of you wanting a more one-on-one experience, sign up for the Masterclass and get a new insight into a well-loved piece of yours. Then, for those of you watching, get some new ideas to improve your playing.

For students in Book 3 or 4, join Barb Kerr for a workshop filled with ideas on improving your breathing (great for those long phrases in Book 3 pieces!) ornamentation, and some wonderful ideas for playing expressively.

All those attending the workshop come together to kick start their performance year with a Concert.
So register now to participate in this unique event!
