These concerts are celebratory concerts for students who have completed a piano Graduation or Victorian Piano Certificate in Series 2 this year. Each student may perform **one piece of their choice** but it must be at concert standard at the closing date and the piece MAY NOT be changed after the entry is submitted. In general pieces should be kept to a maximum of 4 minutes duration. If you have students graduating at high levels and you wish to have them perform a longer piece please contact the office prior to submitting your entry.

At the conclusion of the concert each student will be presented with their Graduation or Victorian Piano certificate/s.

It is expected that all teachers entering students attend on the day as a gesture of support to their students and also to assist with the smooth running of the concert. If you are unable to attend you must provide the name of another teacher or parent who can footstool, help at the door or compere.

Please distribute your students evenly across concert times if you have 5 or more students to ensure balanced concerts. Suzuki Music staff retain the right to move students into alternative concert times if you have not distributed students across 2 or more concerts.

Payment for these concerts was included in the Graduation fees.

Incomplete forms will be returned to you —please ensure **all** details, including your availability to assist and a second preference concert time for each student, are included on the reverse of this page.
